25 February 1970

MEMORANDUM FOR THE RECORD

SUBJECT: Trip Report 8 - 12 February 1970

1. Location and Purpose of Trip

The undersigned attended Lectures in Aerospace Medicine presented by USAF School of Aerospace Medicine, Brooks AFB, San Antonio, Texas, from 9 through 12 February 1970. See Attachment of Tentative Program. This program is presented only every few years.

2. Results of Trip

A. Considerable time was spent with [redacted]

25X1

[redacted] and [redacted] formerly Lockheed Flight Surgeon assigned to our project and now at Mayo Clinic. Also, I had the opportunity to get together with [redacted] from David Clark Company, and [redacted] formerly with OSA, and others in the business.

25X1  
25X1

B. Agency Clinical Division Laboratories were looking for new procedures for doing certain lab tests and fortunately we found some authorities on subject at Brooks AFB and were able to bring back complete information.

25X1

C. The trip was time well spent and well worth-while.
